## NF1 PN

### Managing NF1 PN can be complex!

At Alexion, we know that support matters. Hear from a Patient Education Manager to learn more about neurofibromatosis type 1 with plexiform neurofibromas (NF1 PN).

### At this event you will:

- Discover specific ways to improve communication with your healthcare team so you can get the most out of each appointment.

### For more information about Alexion Programs, reach out to an Alexion Patient Education Manager (PEM)

To find the PEM closest to you, use the PEM finder at [AlexionOneSource.com/pef](https://www.alexion.com/pef).
